

# Care Center Barriers

From the onset of COVID-19, Binswanger Glass has been fabricating and installing counter protectors and virus shields to keep retirement and long term care residents and their caregiver teams safer with permanent and temporary barriers.

## **BINSWANGER'S SOLUTION:**

- **Table dividers, room barriers, vertical barriers, food service panels, reception shields, desktop shields, screw-in dividers, and restroom dividers**
- **Made in the USA from lightweight, high strength acrylic or polycarbonate**
- **Free-standing, mounted or hanging**
- **Standard and custom sizes available**
- **Temporary and permanent options**
- **Custom built to your needs**
- **Pass-throughs, holes and transaction windows**
