

Educational Barriers

When it's time to get back to the classroom, trust in Binswanger Glass – the largest and most experienced full-service glass installer in the United States. Since the onset of COVID-19, Binswanger has been fabricating and installing protective guards to protect essential workers and the public. These guards provide additional protection for teachers, staff, parents, and children. Binswanger is here to help schools with extra measures to restart safely.

BINSWANGER'S SOLUTION:

- Personal desktop shields, table dividers, vertical barriers, cafeteria barriers, school bus shields, screw-in dividers, and urinal dividers
- Made in the USA from lightweight, high-strength glass, acrylic, or polycarbonate
- Short lead times
- Free-standing, mounted, or hanging
- Standard and custom sizes available
- Temporary and permanent options
- Can be customized to meet your specific needs
- Pass-throughs, holes, and transaction windows

Awarded vendor of nationally recognized cooperative contracts group. BuyBoard and TIPS-USA
